

**Haverhill Planning Board Minutes**  
**August 4, 2009**

**This meeting was for Planning Board Training – presented by North Country Council**

Planning Board members present:

Don Hammond – Chair

Rick Ladd – ex-officio

Also present: LeeAnn Nystrom, Clerk and Tara Bamford and Carole Bont of NCC.

Due to lack of attendance Tara suggested that the Board should reschedule to another date. She asked if maybe training could occur at a regular meeting. Don suggested that maybe in the winter would be better. Training will be brought up at the next regular meeting of the Planning Board, and the clerk will contact Tara with a couple of possible dates.

Respectfully submitted,

---

LeeAnn Nystrom, Planning Board Clerk
