

Dean Memorial Airport Commission
Morrill Building
Dartmouth College Highway
North Haverhill, NH 03774

September 25, 2010

The Dean Memorial Airport Commission, pursuant to recent acceptance in the FAA NPIAS Program, is soliciting Statements of Qualifications for consultant services related to capital improvement projects at our airport. These projects are to be initiated as soon as practicable in line with FAA funding schedules. A prioritized ACIP list from our current Master Plan is submitted below. Please submit Statement of Qualifications information to the above address. After review, interviews will be granted to firms who generally satisfy the needs and objectives of our proposed initial projects in order to finalize the selection process.

The criteria for selection will follow recommended selection criteria in FAA Advisory Circular 150/5100-14D, Chapter 2, section 2-7, a-l.

Selection Procedures will follow those also outlined in the FAA Advisory Circular 150/5100-14D, Chapter 2, section 2-8.

The deadline for submission of these documents will be October 20, 2010. The contact term shall be for 5 years. The documents should be no longer than 30 pages and we would like 10 copies sent to the commission.
