***** Last minutes were reviewed and approved**
Motion by Dick, second by Wayne

***** Treasury report: The current balance unchanged as of 05-29-2014 is \$903.01**

***** New&old Business ...**

*** A general discussion lasted several minutes reviewing all items presently under consideration.**

*** Dick mention while discussing the Pike foundry that it is for sale???**

*** Jim stated he is closing the museum in his store and would put railroad items in the caboose for special opening events, but the desk which he feels isn't RR issue anyway. With the desk and stove it would be too crowded. Dick feels the desk should stay as he feels it should be included in the caboose. Jim then stated that the commission could then choose what the interior should be used for....**

***Jim mentioned another tree has topple at the park and has been removed.**

Motion to adjourn by Dick, seconded by Wayne. All were in favor and the meeting was adjourned at 7:26 pm

***** Date for next meeting is scheduled for June 26th. 2014.**
