Directors Report:

-Chili Contest Update: Parker Hill Road Band and Chili contest 2016 results:

Original chili- Angela Clifford

Wild Game- Jamie Jarvis

People's Choice- Russell Hitchcock from Woodsville

The proceeds: The concession- \$218.40. Chili Sampler sales- \$149.00. Donations \$224.0

Total: \$591.40

This is the first time the Rec Department has managed the chili contest. We had 17 entries. It was suggested by Richard Roderick that next year we limit the entries to 12, as many can fit on a plate. Our decision was to get other plates if we have to, we are not limiting entries.

Paddle the Border

It was a beautiful sunny day. Mike Thompson reported over 90 boats in the water. Lynn Wheeler and Sherri Sargent were at the Connecticut street launch. No problems encountered. It was a long trip. Suggestion that we go midstream next year.

AP Hill Pool

Concrete was cut last week by Vermont Concrete for \$500.00 and the slabs were removed today by Steve Robbins with the truck being provided by Stuart. As of Sunday, Rich has replaced a jet and skimmer as they were both identified as leaking. No leak has been found. The hope is the area will be backfilled and seeded at the end of the week/weekend. Minimal leakage has occurred since it has been replaced. Angela will let the Lions Club know of the roof for a potential fall project. Sherri met with Bill Harris of W.W and Light.

We will have staff working but would like a minimum of two people to work the grill and popcorn machine.

Aqua Aerobics will be offered again this year by Dianne Rappa

Diane went over the schedule and there is only 1 conflict

Sherri will send a liability form for Aqua Aerobics to keep form consistent
