MEMBERS EXCUSED: Select board member representative Robert Roudebush.

PUBLIC: Darwin Clogston, Mark Goodrich of DuBois and King

REVIEW LAST MEETINGS MINUTES: Approved as printed

1. A. REVIEW CORRESPONDENCE: NONE

2. PUBLIC APPEARANCES/COMMENTS/PROPOSALS: NPIAS application for paving: Mark Goodrich presented a draft which was an estimate for the amount of work and expense to have the taxi way along the front of the hangars nearest the wind sock paved. He also talked about different avenues that money through grants can be obtained and conditions that would need to be met if grant money would be used. If grant money is used, the airport would have to comply with FAA safety regulations. One regulation that would be bad for the airport, would be that the runway would have to have a longer "displaced threshold". This would shorten the useful length of the runway for landing. This would also cause the airport to lose the GPS approach that the airport currently has. Another option would be what is referred to as an 80-20 funding. Mark is researching this, but more information is not available at this time of print.

3. Old Business: Airport Awareness Day: This was held on Sept. 12th and 37 young people were taken up for a flight. The commission discussed ways to better reach out to the public with better advertising and to have more static displays at the event that families would find interesting. The commission also discussed having this event every other year and all were in agreement.

4. New Business: Nomination of Budget Committee members: The nominated members are Chairman- Dick Guy, Vice chairman- Mike Roberts, Select board representative- Robert Roudebush. Airport manager Jim Fortier and future manager Dennis Cunningham will also be at the meeting.

5. SUB COMMITTEE REPORTS: Dick Guy has sent out thank you cards to all the pilots that donated their planes and time to fly the young people.

6. MEETING SUMMARY: NONE

Meeting adjourned at 8:12 PM

Respectfully Submitted,

Cliff Batchelder, Recording Secretary
