3. Old Business:

- A. NPIAS: Because of trouble with down loading and printing the land acquisition proposal study (because of its size) that Mark Goodrich e-mailed, he attended the meeting to make sure that the commission was in agreement and understood everything on the land acquisition proposal.**
- B. AIRPORT AWARENESS DAY: It was discussed to have the future events time changed from 11:00am to 3:30pm, because Dean Memorial is notoriously fogged in until late morning. All were in agreement. Letters of thanks will be mailed out to all of the people that helped to make this event a big success.**
- C. Hot Air Balloon Raffle: Tickets sales were up this year and were a big success. Winston Currier volunteered to fly the winners of the adult airplane rides. An add will be**

posted in the Bridge Weekly thanking all the sponsors for helping the raffle to be such a large success.

D. Lease Agreement: The attending commission was in agreement with the new reworded version.
