

# **Purpose of the Town Fire Department External & Internal Public Input Sessions**

## **Town of Haverhill Fire Department Committee Mission & Purpose**

Mission Statement: The Mission of the Fire Department Committee is to develop a pathway towards building the best fire department the Town of Haverhill could field in all the districts and gain the professional input of all our current fire chiefs, volunteer firefighters, Town officials, and the general public to ensure we are acting in the best interest of the Town, as well as the current fire departments.

Purpose Statement: It is the purpose of the Town of Haverhill Fire Department Committee to examine facts and elicit input from the public, for the purpose of developing a Town Fire Department, including all the structural elements needed to deliver a superiorly efficient, truly effective, and fiscally responsible fire service for the residents of and visitors to the Town of Haverhill. The Committee's work is to affect positive and progressive change in the delivery of public safety services including: Fire, Rescue, Hazardous Materials, Technical Rescue, EMS, Public Health, and Emergency Management within the Town of Haverhill.

## **Questions of the Public**

Questions of the public about the Town of Haverhill Fire Department Committee are meant to assist the Town Fire Department Committee with the development of the new Department of the Town of Haverhill for fire service.

Questions of the Public:

1. What do you want the Fire Dept Committee to focus on?
2. What do you expect from your local fire service?
3. What would you like to see presented at a future meeting?
4. What is important to you as residents of Haverhill?
5. What do you want to see presented as part of the Fire Dept plan?
6. What questions do you need answered to feel informed?
