

North Haverhill Water & Light District

Minutes of the January 18, 2022 meeting

* Meeting called to order at 7:00 PM at the North Haverhill UMC educational building

* Those present: Dennis Fournier, Rich Clifford, David Lackie, Robert Fagnant

* Others: Ben Moulton

* Reviewed minutes of the December 21, 2021 meeting. Rich made the motion to accept as printed, seconded by Dave, and the commissioners approved.

* Ben Moulton was there to request permission to hook on to our water system with a 1 inch line. By the present precinct map, his property is not in the precinct and will have to be annexed by the precinct at annual meeting. He will be bringing us a formal request so that it can be addressed. Pending this, Dave made the motion to accept Bens request and seconded by Rich. Commissioners approved.

There is a problem with billing on Carl Blaisdell's properties. The bills for his home and the apartment building are reversed. Was not an issue before but he has since sold the apartment building.

We asked Bob to check the reading on Susan Hastings meter to determine if water has been turned back on. Dennis will be checking with the lawyer if it is wise to place a lien on the property at this time

It was decided to discuss at the next meeting rates for out of town water use. Mountain Milk has been hauling water again.

Brief discussion on the Hastings lawsuit and standings with audit.

Rich made the motion to give Sarah permission to pay bills. She can have Carol sign the checks and she could send us the manifest for signature. Dave seconded and Commissioners approved.

* At 8:02 PM Rich made the motion to adjourn and Dave seconded. Commissioners approved
