Miscellaneous:

Wayne provided a 2013 State of NH Historical Resource on the Mill Street Bridge in Woodsville. This could be registered with a Historical Plaque. State wants to put a concrete bridge with Historical Marker. Construction planned for 2018.

Powder House Hill: Lynn Wheeler has researched. There may be about five (5) acres, there is also question of about ¼ acre. Maybe some folks buried there. Michael Lavoie wanted a land swap down by the Post Office in Haverhill Corner for maybe a road to Ledgewood Estates and that way there would not be a culvert. Not approved. Commission plans to go and view Power House Hill November 5th.

Adjourned at 7:45 p.m.

Respectfully submitted,
Evelyn Elms
