2	Currently divided.	3/19/2020 6:59 PM
3	Haverhill is fragmented, Woodsville expends a lot of energy keeping themselves segregated from the rest of our community. The Woodsville Commissioners do not work for the people of Woodsville they work for their own egos. To bring the community together as one, Woodsville needs to end the self segregation and start working WITH the Town and the other Precincts who already work well together. Enough of Woodsville's games.	3/18/2020 9:09 PM
4	I feel we are three towns...very fractured. I would love to see the town come together to move forward for everyone.	3/18/2020 4:48 PM

24	We need to instill more pride in home owners in our town to make housing look attractive, Woodsville is looking like a slum area	3/13/2020 1:11 PM
25	Our community needs to believe in itself with a government that is more proactive and less reactive	3/13/2020 12:03 PM
26	Depleted over time	3/13/2020 11:41 AM
27	I love where I live and love the town. I think we need to invest in areas of technology to help the town grow.	3/13/2020 9:44 AM
28	We like it for the most part. But, it is important to maintain the urban/country culture and traditions of the 'Live Free or Die' state that NH residents cherish.	3/13/2020 8:16 AM
29	Better support of the libraries.	3/13/2020 8:09 AM
30	Volatile	3/13/2020 6:51 AM
31	Our culture is important, it is who we are and needs to be kept alive and shared, our culture is not the divided community that we have become.	3/13/2020 6:42 AM
32	We seem to be taking a "giant step" backwards regarding relationship between Woodsville and rest of town...going back to the "bad blood" that was a result of the closing of Haverhill Academy and all students being sent to Woodsville High School. 50 years and we're...STILL FIGHTING! I know we can't afford to high schools BUT these feelings have resurfaced due to the present conflict regarding the road monies and the Woodsville precincts current fiscal problems. Additionally, I feel that the town's efforts to merge the fire departments and two road departments has been poorly handled. The "cart is being put before the horse" with NO PLAN presented to the taxpayers what actual cost/savings would be to do so....we need to see the FACTS FIRST! A committee needs to be formed FIRST detailing all the pros/cons and then brought back to the town to be VOTED ON prior to any consolidation of these entities! I strongly feel that the merger of the fire departments is being driven by a few individuals who are seeking personal, financial gains by becoming employees of the town, mainly in the capacity of the fire chief's position if in fact a town-wide department is formed! Returning to the question of the Cental/Forest street safety concerns. ANY costs incurred by the town should be paid for by the WHOLE TOWN...NOT..just the residents of Woodsville Fire District! Lastly, if we are looking to REALLY becoming "one town"....maybe it's time to eliminate the whole "precinct" form of government BUT I know that is a...FAIRY TALE and probably will not happen in my life time...if ever!	3/13/2020 2:43 AM
33	People in this town can be nice, but they are also judgemental as hell	3/12/2020 11:18 PM
34	You can not clean up the community without getting a little dirty. Continue the pursuit of financial transparency and stop the continuous hemorrhage of our taxpayer dollars. Continue doing what you all are doing.	3/12/2020 11:05 PM
35	I've been concerned about the "Good ole boys" mentality of the town for years...but I think that's gonna turn around!	3/12/2020 10:22 PM
36	Was raise here, and raised my children. Small town, people take care of each other. Historical.	3/12/2020 9:12 PM
37	It's community through family. We tend to help each other. As a "community as a whole" I'm not so sure.. I feel it's a name an a dollar amount.	3/12/2020 8:53 PM
38	We need to stop bickering back and forth and be transparent!	3/12/2020 8:32 PM
39	We appreciate the sense of community in this area. We would like to see the health department enforce the regulations applying to properties that look like dump sites.	3/12/2020 8:14 PM
40	Community seems to get together during times of tragedy or rage. Wish there was more sense of community all the time	3/12/2020 8:09 PM
41	we need to come together as one town with focused purpose. there are too many fractions pulling in different directions currently	3/12/2020 7:58 PM
42	It is not as it once was	3/12/2020 7:53 PM
43	The culture of the town seemed quite positive prior to the new Town Manager and several new Select board members taking office. There have been a number of situations where changes have been implemented that have created division within the town, its citizens and the	3/12/2020 7:19 PM

precincts. For example: Conflict with the past road agent; demoting the airport commission; elimination of the Beautification Committee; conflict with the Woodsville precinct. The way these things have been handled has created hard feelings and division among many citizens.

44	I think you have been wonderful of trying to clean up some of the stuff that has been put under rug but I do hope that you will let us no what happens with all that is going on	3/12/2020 7:12 PM
45	For the most part our community is extremely supportive of each other. There are times that back door meetings and agenda's get in the way of what is good for the town as a whole. I believe under the right leadership our town could be as well utilized as Littleton. I want to see continued support of our school systems so that we are attracting more families to help keep our community thriving.	3/12/2020 7:00 PM
46	Not really sure	3/12/2020 6:57 PM
47	I felt like we are heading a good direction by making our community look better and opening more smaller businesses. We need to be putting more into our community and building it up. Supporting all of our members from elderly to small children	3/12/2020 6:54 PM
48	Drugs	3/12/2020 6:52 PM
49	It's getting better. I am hopeful about the changes I have seen in the last two years. The new town manager has a lot to do with that.	3/12/2020 6:51 PM
50	Support for Court Street Arts as well as encouraging their self-sufficiency is paramount re culture. Some community members need to become inspired and motivated to respect one another, and their elected public officials.	3/12/2020 6:40 PM
51	I pretty much keep to myself	3/12/2020 6:32 PM
52	I moved to Haverhill 13 years ago and times are changing and the feeling of community is not a thing anymore.Maybe hold events for families	3/12/2020 6:19 PM
53	nothing for young kids to do	3/12/2020 6:08 PM
54	I have lived in MT Lakes for almost 6 years- I enjoy the Haverhill community - most of my experience has been with Haverhill Rec as I have small children and Sherri is great and we enjoy all the activities offered. Would like to see an after school program offered to assist the younger kids with working parents and homework.	3/12/2020 6:07 PM
55	Haverhill is a good place to live, drain the swamp in Woodsville	3/12/2020 6:05 PM
56	Small town politics (and minds) has to stop. We need to stop talking and start doing....together.	3/12/2020 6:01 PM
57	Having moved into Haverhill it has become more than obvious that it is nothing but a good ole boys club	3/12/2020 5:52 PM
58	Wonderful	3/12/2020 5:48 PM
59	I love Haverhill. I think we have a wonderful town where you can count on your neighbors to come together in times of need.	3/12/2020 5:42 PM
60	Too many people are concerned only about their wallets, and not enough about continuing to work on building a thriving community.	3/12/2020 5:29 PM
61	I am greatly dismayed by the lack of support for the arts...specifically Court Street Arts. It brings both culture and promotes the arts. If we are trying to showcase Haverhill as a place to people to live and raise families, then the town needs to get behind this organization and help support and promote them as a PART of the town.	3/12/2020 5:23 PM
62	I love this community and particularly how we rally around those who are hurting and in need. I love how we cherish those of us who have lived here for years or have grown up here. I especially am so very proud of our medical teams, police department, fire and rescue etc. They never cease to amaze me. My hope is that unity will grow as our town officials go forward with hopefully a spirit of forgiveness and hope for a better tomorrow for all of us!!	3/12/2020 5:23 PM
63	The reason we moved here over 50 years ago was the community of people seemed to be one family. Right after that the schools in Haverhill Corner and Woodsville joined to form one high school. They were competitors before. Last summer at a gathering...someone from North Haverhill said "we should have never done that". I feel that the meanness that is being shown	3/12/2020 5:21 PM

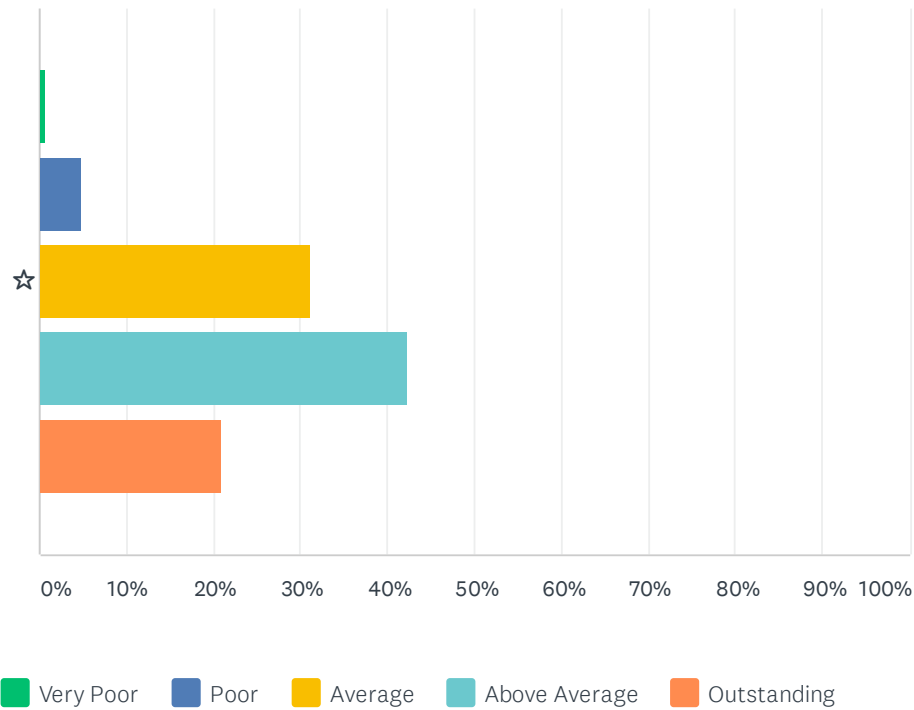

to Woodsville is a long simmering resentment of the precincts outside of Haverhill. To sneer at the welfare and police protection that Woodsville needs is shameful. We are all one town and if Woodsville needs help with audits our Town Manager should work to find a way to help them. Please don't break this town's personality apart by pointing fingers....point them to a way to rectify this. Another thought....people move to towns that provide good education to their children. They don't move there because of an airport. Dart can land many places and #1 at Cottage Hosp. Yes we are the County Seat. But ask anyone where Haverhill is in Hanover or Plymouth....they haven't a clue. And now the Valley News doesn't cover Haverhill events any more let alone try to deliver it to our homes. Maybe the Town Manager could work on getting our town back in this Upper Valley Paper.

64	Disappointed in how much my hometown has both changed and not changed.	3/12/2020 5:21 PM
65	I love our town but there has been such a rival with woodsville for years even when I was a child. I hope we can continue to solve issues and just maybe woodsville will continue to wake up and decide that we are one town and not two.	3/12/2020 5:11 PM
66	enjoy the activities for kids the rec dept and vfw are doing	3/12/2020 5:07 PM
67	Has changed dramatically over the past few years!	3/12/2020 5:06 PM
68	I wish the community would work together more as a town & not be so split up.	3/12/2020 5:06 PM
69	A house at commons with all history about Haverhill in it like a museum from the Indians to civil war	3/12/2020 4:54 PM
70	The culture is strong and the roots are deep. This is good and bad. Old ways of doing things die hard but we must push this town into the 21st century or it's going to die out. Population is aging, there's not a lot of reasons for young people to stay. We need to build up what the town can offer.	3/12/2020 4:51 PM
71	Would like to see law enforcement crack down harder on known drug houses	3/12/2020 4:38 PM
72	I love my town	3/12/2020 4:36 PM
73	I feel like there is an aging population. Opportunity in relation to rising cost of living (taxes) makes it difficult for a younger population to succeed. Moving to a neighboring town can save thousands in property taxes.	3/12/2020 4:21 PM
74	There is a strong sense of community, but a stubborn streak that prevents change, even if it is for the good of the community.	3/12/2020 4:14 PM
75	Could be great if you continue to break down the silos	3/12/2020 4:12 PM
76	The culture seems kind of 'closed' to new comers. My husband and I moved here in September 2018. We love rural living and the agriculture lifestyle , even so, I feel very isolated. We don't have kids or go to church, so building friendships is a challenge.	3/12/2020 4:10 PM
77	I wish we could clean Woodsville up and get rid of the shitty buildings and apartment trash.	3/12/2020 4:08 PM
78	I love haverhill, people are friendly and welcoming! I do believe woodsville should become their own entity and we should look farther into thepossibke corruption senator bob guida attempted to delve into the other night but was not welcomed warmly by certain groups in town.	3/12/2020 4:02 PM
79	Good.	3/12/2020 3:48 PM
80	Keep doing what you do!	3/12/2020 3:45 PM
81	Small town, small politics. Not much vision. What is Haverhill 20 years from now?	3/12/2020 3:38 PM
82	It is a great place to live.	3/12/2020 3:37 PM
83	Honestly I am ashamed at the behavior of some community members. I was very upset after town meeting after witnessing the disrespect shown to Senator Giuda and to the Select Board.	3/12/2020 3:36 PM
84	Other than the decisiveness between some precincts, I feel fine about it.	3/12/2020 3:30 PM
85	Haverhill is peaceful but an economic and social backwater. The job prospects in town are limited with many people heading south or north to find work. The arts and entertainment available are.. bars.	3/12/2020 2:47 PM

86	Overall pretty nice community. I have never understood the Woodsville verses Haverhill issue and find it creates problems that keep our area from positive productivity and possible prosperity.	3/12/2020 2:34 PM
87	I asked my 3 kids separately one day what town they live in. One said Haverhill, one said Mountain Lakes and one said Woodsville. I would like to see more unity and less "District"	3/12/2020 2:30 PM
88	Great community, less Woodsville which is just toxic.	3/12/2020 2:29 PM
89	Wonderful community full of history, change is tough but sometimes necessary.	3/12/2020 2:24 PM
90	We don't feel welcome at all. We bought property here and since the schools have plunged academically. SAU 23 is near the bottom of the rankings list and the high school seems like a glorified elementary school. We would sell in a heartbeat but we know our house won't sell. When people look at places to live they first look to see what the schools are like then the economy.	3/12/2020 2:16 PM
91	Personally I love this community. I've been here for most of my life and I love that my kids have some of the same teachers, nurses, doctors, etc. that I did. I do wish that there were more outside of school activities for kids.	3/12/2020 2:02 PM
92	We are always community strong.	3/12/2020 1:50 PM
93	I feel the culture of the community is getting worse, due to taxation and no draw to the community people are leaving as fast as they get here. The community doesn't except change well, but this is also an old railroad town with a lot of history that should be exported.	3/12/2020 1:47 PM
94	I love Haverhill. My family comes from Quechee, VT. and we moved here in 2013. We love the quiet atmosphere and the friendly people up here.	3/12/2020 1:47 PM
95	I've never felt any real inclination to move. I like it here, except the school taxes are higher than they should be.	3/12/2020 1:46 PM
96	We are divided.	3/12/2020 1:33 PM
97	I have lived here all my life. Although there have been lots of changes over the years, it's still a good place to live.	3/12/2020 1:28 PM

1	I recommend having more open discussion meetings about hot topics; such as the Airport, Fire Dept updates, Woodsville Highway Dept, etc., give the public the chance to ask more questions and give feedback. You all have done so much this year to correct problems that have lingered, keep up the great work.	3/18/2020 9:09 PM
2	Close the airport and stop trying to grow the industrial park and paving roads for no reason. we are a small town and we should stop trying to be a big one. that's not why people choose to live here.	3/18/2020 11:25 AM
3	discontinue the airport. It has never been anything other than a "toy" for a select few. It has never generated the "income" it was supposed to. stop spending taxpayer money on it.	3/18/2020 10:21 AM
4	Please keep pushing to move Haverhill forward not backwards.	3/17/2020 6:09 PM
5	My apologies for the mostly generic answers. The survey wouldnt let me leave non opinion answers blank	3/16/2020 4:01 PM
6	Please close the airport. Only the uppercrust use it at the expense of all taxpayers. Privatize it so those that use it pay for it. It is a joke to say it encourages business. Thank you.	3/15/2020 7:17 PM
7	Thanks for asking!	3/14/2020 9:24 PM
8	I think the town and select board are on the right track! Keep it up please! and thank you for all you do!	3/13/2020 4:39 PM
9	Remote access to meetings would be better when interacting would be possible.	3/13/2020 4:24 PM
10	We support the changes the select board and Town Manager are diligently working to bring to fruition. Change is needed! However, it is a concern that the recent hire of your Finance Admin. (Previous employment issues),could taint the credibility when holding others to high standards in regard to financial accountability.	3/13/2020 3:50 PM
11	Thank you for a great first year; but there is still a lot yet to do! Keep up the good work.	3/13/2020 3:38 PM
12	I wish that your highway and fire department question were worded differently, an affirmative answer may be misleading, in theory it could be a good idea, and I would support researching but, to give a blanket yes I can't do. We need to slow the big changes and set some future goals to achieve. This community WILL come together and work for a common good if it is done properly, the speed that we are running, one side or the other will take offense and fight the change. Re evaluate the tactics, the goals could be met!	3/13/2020 6:42 AM
13	I do not feel that the police department is doing enough to curb the drug problem in town... particularly in Woodsville precinct. We need to bring more industry into town. Sell or lease the land presently occupied by the airport which would be accomplished with the closing of the airport. The airport is an "expensive toy" paid for by the many (taxpayers) to be enjoyed by the few. Investigate means to eliminate the tax breaks that all of the "section 8" housing receives. Removal of abandoned/run down houses.	3/13/2020 2:43 AM
14	Keep up the good work. You have a good team.	3/12/2020 11:05 PM
15	Bridgitte is doing a fine job as Town Manager and I'm excited to see what further things she'll do to enrich our town.	3/12/2020 10:22 PM
16	I did not know Haverhill had a YouTube Channel!	3/12/2020 9:12 PM
17	We want to know what benefits the airport brings to our community, or is it just a rich mans	3/12/2020 8:32 PM

	playground?! We honestly want to know!	
18	Really appreciate the work of our TM. THANK YOU!!!	3/12/2020 8:14 PM
19	Thank you for being motivated and tackling things that should have been taken care of years ago.	3/12/2020 8:09 PM
20	Addendum to previous submittal: Regarding the proposed mergers of fire departments and highway departments, we feel that the Town of Haverhill's citizens would breathe a lot easier if they were soon presented with-at minimum- basic outlines of proposed plans of action regarding the mergers. It's possible that many of the long-time Town of Haverhill residents are wary of "the new kid in town" (even though YOU report to THEM), despite the familiar selectboard members. Don & Kathleen Vaillancourt	3/12/2020 7:20 PM
21	Your a wonderful town manager I no it been hard at times but please don't give up we need you.	3/12/2020 7:12 PM
22	Keep up the good work your making a difference in a lot of ways	3/12/2020 6:57 PM
23	I hope we can get more detailed information about what's going on at the airport. Nothing I have seen indicates that it is worth keeping it, and certainly not with its current management and setup.	3/12/2020 6:51 PM
24	Most answers were "average". You should add a Not Applicable or something similar for those of us who really do not have an experience with that department, as well as a comment section for each, because I would have given a much lower mark for one person in a department, but that person was lumped in with two others, and it wouldn't be fair to lower the score for them.	3/12/2020 6:32 PM
25	Keep up the great work.	3/12/2020 6:18 PM
26	I would really like to see a re-vote (assuming it was close vote the first time) on the elementary school and middle school being merged at the middle school to save money and provide a better safety mechanism to one building not three.	3/12/2020 6:07 PM
27	Discussion of the missing audits in Woodsville precinct during the town meeting was misleading and shameful. It had little, if anything, to do with the topic of highways, and was clearly intended to sway public opinion. While the concerns about DRA audits are important to consider, that conversation was irrelevant at the time, and thus all discussion was inappropriate. In the future, I would hope that the town manager and select board will work to stay on topic and refrain from further attempts to mislead the public.	3/12/2020 5:29 PM
28	I think that before ANY money is spent on the airport we need some hard data on how many people use the airport...how many flights a month, etc, how many night landings, etc. it should not just be something the town funds for the dozen or so people who have private planes. For years we have heard that having the airport near the industrial park will bring in business, etc. how's that going? Still empty places available. The airport has done nothing to help that situation.	3/12/2020 5:23 PM
29	My only concern is that I don't feel it is professional in anyway to make public any personal criticisms of town employees. I find that narrow minded and disrespectful of human rights. Reminds me of high school.	3/12/2020 5:23 PM
30	Work together not against the precincts.	3/12/2020 5:21 PM
31	Thank you again Bridgett for your hard work and I was so embarrassed at town meeting when the senate was rudely dismissed and the selectman were suggested to have just a dollar but I will say this was planned ahead because I was sitting near to mr guy and mrs Aldrich and they had their heads together all night so knew something was up. The select board work very hard for us and I hope they realized the source and take it from there. I hope u keep us informed of the situation with the woodsville commissioners/precinct because they certainly will not tell us the truth or let us know. Thank you again and I'm so glad to have you aboard	3/12/2020 5:11 PM
32	#10- Melissa and Tina are excellent. The ass't. town clerk is not knowledgeable even though she tries to baffle you with BS. Leslie is a real loss in the welfare office. I hope that her replacement is as thorough and tough on freeloaders. We don't need more cops. Fewer patrols and more detective work would be helpful.	3/12/2020 4:58 PM
33	I know we need keep fire coverage the way it's been for years...no need of messing it up	3/12/2020 4:54 PM

because North Haverhill fire needs a new fire station..and Lavoie wants the Haverhill Corner Station pretty bad pull the rug on your own guys ...sad day sad individual

34	Thank you for including the residents and eliciting their opinions. This goes a long way to making us feel heard and valued.	3/12/2020 4:51 PM
35	excited to see where this positive progress takes the town! Greatly appreciate the hard work and dedication that has been shown	3/12/2020 4:38 PM
36	Hang those responsible for the missing money in woodsville.	3/12/2020 4:36 PM
37	I am a full time employee and part time college student originally from Vermont. I am very interested politics and recently taken an interest in local politics. Many of the answers were uneducated, but I wanted to put my thoughts out there.	3/12/2020 4:21 PM
38	Thank you!	3/12/2020 4:12 PM
39	Honestly, most of the ratings I gave town departments are lower than they might be because I haven't interacted with them (and I didn't even know we have a YouTube channel). I will say, in my short time here, I've been impressed with Bridget and the Select Board. I'm a transplanted city girl from another state, so this level of small-town government is new to me and I like what I've seen, so far. I would like to interact more with the community - maybe volunteer for the rec dept or town office, or get a part-time office job - winter and nigh-time driving are a challenge for me, there are few opportunities close to home and I really don't know where to start. I'm not even sure what businesses are in the area -- phone books are things of the past and there's no comprehensive list online. Along those lines, it would be nice to have a "Welcome to Haverhill" packet sent to new residents, with a directory of area services, lists of attractions, and maybe coupons for businesses. The packet might also include an introduction page about the structure and workings of the town government. I know much of this info can be found online, but for folks just getting moved in and settled, a tangible packet, 'something to open' would be nice. And, maybe once a quarter or twice a year, hold a pot luck meal or similar community-wide event, for new residents to meet their neighbors. Last summer, I started a FB group for home gardeners in the upper valley, but haven't had much interest, yet. If there's a community garden around, I'd like to get involved with it. I really want to be plugged in, to put down roots and be an active member of the community, I'm just not sure how to go about it. Thank you for sending this survey. I appreciate the opportunity to provide feedback regarding our community. I look forward to many years in my new 'hometown!'	3/12/2020 4:10 PM
40	If woodsville doesn't want to work with haverhill then maybe we should consider them becoming there own entity then their issues are our own and not ours. We can not afford to have them leach off from us!	3/12/2020 4:02 PM
41	I do like the audio/video of town meetings on my facebook but not all residents have access.We have no Cell Signal so we have a wifi hooked up directly to our phone line by wire.Just a suggestion for others with no signal for internet.	3/12/2020 3:48 PM
42	You do an excellent job. You make things happen	3/12/2020 3:45 PM
43	Thank you for all the hard work you have put in. For the first time I feel there is a town manager that cares about the whole town and will do the right thing for all. In the past it felt as though there was a group of people in a select club that received special treatment from the town manager's office. I feel confident that is no longer true.	3/12/2020 3:36 PM
44	We have spent a ton of town money on the airport recently What's the ROI on this? Are spending money wisely or just to benefit the 1% of the town that actually flies from here?	3/12/2020 2:47 PM
45	My business is on Central Street Woodsville and I never see any police patrols in town and if you talk to Haverhill residents they believe the police are always in Woodsville. So where are they? Traffic on Central Street drive much faster then traffic on Benton Road (116) for heavens sake because there's never anyone watching! Back to your Welfare question.....you are making me answer to finish this survey, I really have no knowledge of how it is doing so I guess AVERAGE ☹️	3/12/2020 2:34 PM
46	I am supportive of the long neglected deep analysis of our budget that is occurring. I would encourage you to go easy on the public shaming of the Woodsville district precinct Commissioners. As a Selectboard and Town Manager, take the high road...even if they don't.	3/12/2020 2:30 PM
47	Thank you	3/12/2020 2:29 PM

48	Thank you for another great survey!	3/12/2020 2:24 PM
49	Close airport rd by the runway I think these is the most fiscally responsible option.	3/12/2020 2:13 PM
50	I really appreciate the professional responses to difficult situations and difficult residents.	3/12/2020 2:11 PM
51	Continue the good work and save where we can save and invest in our infrastructure and economic development	3/12/2020 1:50 PM
