[Finding Funding Tool:](#)

Get help navigating some of the challenges and resources available to address the COVID-19 pandemic.

Our resource roadmaps are based on anticipated COVID-19 recovery challenges in key topic areas. The roadmaps:

- Outline potential solutions and applicable resources, including federal funding support and technical assistance.
- Describe how to use CARES Act and other federal programs to help solve recovery challenges, avoid potential duplication of benefits, and reimburse associated costs.
- Inform decisions on how to apply funding to maximize local recovery outcomes.

Website: <https://edit.fema.gov/disasters/coronavirus/resource-roadmaps>

[Disaster Assistance and Emergency Relief for Individuals and Businesses](#)

Description: Special tax law provisions may help taxpayers and businesses recover financially from the impact of a disaster, especially when the federal government declares their location to be a major disaster area. Depending on the circumstances, the IRS may grant additional time to file returns and pay taxes. Both individuals and businesses in a federally declared disaster area can get a faster refund by claiming losses related to the

disaster on the tax return for the previous year, usually by filing an amended return. Website: <https://www.irs.gov/businesses/small-businesses-self-employed/disaster-assistance-and-emergency-relief-for-individuals-and-businesses>

[Webinar Opportunities: click on title to follow link to website](#)

[USDA Opens Registration for the 2021 Agricultural Outlook Forum](#)

Description: The 2021 Forum, themed “Building on Innovation: A Pathway to Resilience,” builds on USDA’s Agriculture Innovation Agenda, launched earlier this year to align USDA’s resources, programs, and research toward the goal of increasing U.S. agricultural production by 40 percent while cutting the environmental footprint of U.S. agriculture in half by 2050.
Date: [February 18,19-2021](#)

[Public Spaces are Essential Services Webinar - Recorded Video Now Available](#)

Description: What are the challenges and opportunities of spending time outdoors during COVID-19? How can we support responsible public life? How can placemaking help us recover? How does this vary in different global and economic settings?
Date: [Available on line for viewing](#) Time: TBA

[Redefining the Role of the Street](#)

Description: Placemaking Webinar from Placemakingx-public space usage after COVID-19
Date: [Available on line for viewing](#)

[Ensuring Continuity of Feeding and Food Distribution during the COVID-19 Pandemic](#)

The Department’s Office of Safe and Supportive Schools (OSSS) and its REMS TA Center hosted a Webinar in collaboration with state partners on the topic of ensuring continuity of feeding. Readiness and Emergency Management for Schools Technical Assistance Center has past seminars open for review on demand.

HELPING YOU GET STARTED WITH GRANTS.GOV – Grants.gov is a centralized location for grant seekers to find and apply for federal funding opportunities. Here is a guide for your use

GETTING STARTED

Grants.gov

Grants.gov is a centralized location for grant seekers to find and apply for federal funding opportunities.

An individual or organization must register before applying for a federal grant. Once registered an organization can submit grant applications on behalf of a state government, nonprofit organization or private business.

The Grants.gov Video Series covers the complete Grants.gov application process, from registering and creating a Grants.gov account to finding funding opportunities and completing an application package.

The Grants Community Blog offers information to assist you in the grant seeking and submission process.
