Re: Woodsville – Request for Reconsideration

Dear Attorney Eggleton:

I represent the Department of Revenue Administration with respect the above referenced matter. I write in reply to your letter of May 16, 2022, directed to Jamie L. Dow. Please direct any future correspondence regarding this matter to me.

The Department has reviewed the request and offers the following:

1. The disallowance of Woodsville's RSA 31: 95-e article is hereby rescinded. While we may disagree that a special meeting was sufficient to accomplish what Woodsville wished to accomplish, the Department acknowledges that "disallowance" was not the correct response. Woodsville should consult with its municipal counsel and reach its own conclusion about the process for complying with RSA 31: 95-e. A copy of this letter will be placed in the M&P portal for Woodsville.
2. The remainder of the appeal will be referred to our Hearings Bureau. You should be receiving hearing notice from them shortly.

Please feel free to contact me if you any other questions or concerns. I can be reached at 603-230-5028, or peter.c.roth@DRA.NH.GOV.

Sincerely,

Peter C.L. Roth
Revenue Counsel
