

HAVERHILL HERITAGE COMMISSION

April 27, 2017

Meeting called to order at 7:00 p.m.

Present: Fred Garofalo, Mike Bruce, Everett Sawyer, III, Wayne Fortier and Evelyn Elms.

Minutes: Wayne moved to accepted, seconded to Mike Bruce and approved.

Treasurer: Do e-statement.

Mill Street Bridge: Wayne and Fred updated. Selectboard will re-consider at next meeting.

Railroad Park: Group from Wal-Mart cleaned up the Park. Jo and Mike visited them with a Thank you. Robco estimated it would cost \$3,000 to \$3,500 to move the caboos. Wayne will ask Chief Boogie. Liz Shelton has someone coming to clear of the tracks of brush. Wayne spoke with Liz and indicated no one knows where Railroad Park is. Mike suggested that maybe we could look at the railroad car at the old Armors plant and is believed to be owned by Norm Ingalls. Discussion. Other use of the park could be a "car show".

Hazen Park: Needs plaque and markers. Maybe start off with a couple of signs. At some point, one big map for visitors to see where buildings were located and their use.

Powder House Hill: Mr. Byron Kidder does not have a NH License but willing to be a consultant. Wayne will check with the Town Attorney of someone knowledgeable about surveying such as Powder House Hill. This could cost upwards of \$10,000.

Next meeting May 25th and invite Haverhill Historical Society. Signs for Powder House Hill. Discussion.

Blocks are ready. It is unknown if all were paid for.

Moved by Wayne and seconded by Everett to adjourn – approved.

Respectfully submitted,

Evelyn Elms, Sec.

8:10 p.m.
