9:15 a.m. **Managed Prescription Drug Formulary – Is it time?**

Presenters: *Wendy Parker, Executive Director*

Scott DeRoche, Member & Enrollee Services Manager

Kim O’Leary, Principal, Brown & Brown

Andrea Grande, RPh., Principal, Brown & Brown

Session Length: 75 minutes

With over 90% of commercial health plans adopting some form of a managed formulary with an almost a 7% projected cost savings (\$22 million) over a three-year period for HealthTrust, this session will focus on the Covered Individual impact of adopting CVS Caremark’s Standard Control Formulary. Adoption of this formulary will result in certain high cost non-specialty drugs being excluded from coverage while lower cost, clinically appropriate alternatives will be promoted. This change will also result in enhanced rebate performance. The Brown & Brown pharmacy team, including their licensed pharmacist, will review in detail the clinical impact of these exclusions by drug and by the number of affected Covered Individuals on the HealthTrust covered population. The presentation will also cover the process for notifying Member Groups and impacted individuals of this change

10:30 a.m. **Break – In the Presidential Ballroom**

11:00 a.m. **Medical and FSA Plan Design Modifications**

Presenters: *Wendy Parker, Executive Director*

Darlene Simmons, Engagement Manager

Scott DeRoche, Member & Enrollee Services Manager

Session Length: 90 minutes

This session is designed to foster a discussion about how HealthTrust can position itself to continue offering a robust spectrum of benefit options that are both effective and relevant in the current marketplace and best suit the needs of all Member Groups. Topics to be discussed will include the retirement of plan options that have low enrollment, new medical plan options that provide flexible nationwide coverage, and a change in the operation of the Benefit Advantage Flexible Spending Account (FSA) program.

12:30 p.m. **Lunch will be served in the Grand View Tent**
