

Haverhill Corner Precinct  
Meeting Minutes  
October 20, 2021

Meeting called to order at 7:03

In attendance: Mike Lavoie, Doug Dutile, Albie Estes, Barb Dutile, Peter Tice, Jen Boucher, Joanna Bligh, Sarah Tucker

Approve agenda: add number 12 "Dan Boutin" motion to approve agenda with adjustments by Mike Lavoie, Doug Dutile seconds. All in favor.

Jen Boucher: Thanks to planning board for welcoming them to meetings and allowing them access to the records. Jen wants to ensure continued communication. The form that was created by the commissioners at the prior meeting was a good addition, Jen suggests that an addition of a plan number to the form. Applicants typically get an outline of what they will have to go through from the town administration. Jen requests for a letter from the town be put into the packet that is given out by the Haverhill Corner planning board. Jen will email a draft to the Haverhill Corner office to be presented for acceptance by the commissioners.

Approve minutes: Motion to approve minutes by Mike Lavoie, second by Albie Estes. All in favor.

Approve manifest: Commissioners signed off on.

Solar Power and Cell Tower: Valley news, solar power in Hanover. Company in Enfield does the installation. A resident brought up the thought of putting solar in behind the fire station. Cell Tower – testing for service by the Fair Grounds. The board is in agreement to have Doug start research on both in reference to the Precinct. Motion by Mike Lavoie, second by Albie Estes, all in favor.

Roof Update: Jim McKinnon and Roofer have been in contact with Doug Dutile. Supplies are in, should be done next week.

Meeting room use request: Becket school reached out to use meeting room, one day a month 11-1 for staff meetings. Mike will touch base with the school and continue with a contract for the school.

Water Bill Complaints: Some complains have come in regarding the issues with quarter 2 billing. Re assuring clients that the commissioners are aware and have done everything to ensure issues do not happen again

Dan Boutin: Supplies are in and work will start on Friday for the fixing of the Lightning Strike and the system upgrades. Joel Beckley went up and washed the tank this month, it looks much better. Doug Dutile asks about the old monitor building and if we should be looking into tearing it down.

Budget reviewed and work session planned for October 27, 2021 at 5:30.

Motion to put a lien on Thorburn property by Doug Dutile. Second by Mike Lavoie. All in favor.

Meeting Adjourned: 8:45
