**Review of Edits to Master Plan**

Chair Hebert stated that the Board will begin their Master Plan review at Chapter 7, Natural Resources, and asked for any initial comments.

- Clerk Bligh noted that Howard Hatch suggested revisions, and Clerk Bligh recorded those changes. Chair Hebert replied that the Board will review those at the end.
- Clerk Bligh commented that incorporating the revisions will take time and may not be completed by the end of the year. Chair Hebert noted that the Board is no longer under contract according to the Memorandum of Agreement from June Garneau, so the Board's time schedule for completion of the Master Plan is open.

The Board reviewed paragraph by paragraph making revisions through Chapter 7, Natural Resources and Chapter 8, Recreation, Culture & Social Opportunities, which incorporated pages 65 to 84.

**NEXT MEETINGS**
