5. NEW BUSINESS

Chair Bonanno introduced Boucher to discuss input from Town council related to this Planning Board Work Session. Boucher read the Town attorney's opinion:

"I've never heard of such a thing, and I certainly would not recommend it, but I'm aware of nothing in the statute that says they can't do it. As long as no one from the public can speak and the meeting is properly noticed and open to the public, I suppose they can gather to discuss the materials that have been presented before they hold a public hearing. If you do choose to hold a work session, there is absolutely no public input."

Bonanno requested a motion to adjourn the Work Session on the Town attorney's advice.

6. ADJOURNMENT

MOTION #2: Bonanno made a motion and Pierce seconded the motion to Adjourn the meeting at 6:08 PM on the advice of Town council.
